Market Commentary

The market edged higher last week in consonance with a rally in other Asian stock markets. Market rose in all five trading sessions of the week. Major gains, however, were reported on Friday, 2 January 2015, following the government's move to replace the Planning Commission with more efficient NITI Aayog (National Institution for Transforming India). In the week ended on Friday, 2 January 2015, the S&P BSE Sensex rose 2.37% to settle at 27,887, its highest closing level since 8 December 2014. For next week Nifty likely to trade in the range between 8550 – 8600 in the upper side and 8100 – 8050 in the lower side.
